President Denny Houseman met with a participant from the Estherview Sweet Corn Days Car Show who had some suggestions and questions about the Club and procedures involved in the car show. Denny said they had a good meeting and the individual joined the Club. He paid 2024 and 2025 dues.

Several positive comments on Lakes Show. Participants liked that everything was done in timely manner. Trophies were handed out on time.

Several constructive criticisms. There was a naked lady painted on the back of vehicle. Being it was a family event the vehicle owner was made aware of this complaint. Some 50/50 tickets were sold and were not tore off and separated. There was confusion on the classification of a corvette convertible and a 1963 Impala was classified as a muscle car.

Storm Lake Car Show had 140 cars. Their trophies were smaller . All singles no doubles.

Sheldon Car Show had a cruise and a burn out contest.

Business:
