Received a thankyou from the Estherville VFW for the recent \$700.00 donation.

Received a request from Greatinger, IA. to have a Cruise-In on the 5<sup>th</sup> Saturday in July. The city is having a Golf Tournament that weekend and would like to have a Cruise-In that evening if possible.

A&W in Greatinger would like us to have Cruise-Ins again this summer in their parking lot.

Events:

The Garage Tours in Sheldon and Soux Center were very good. There were fewer stops this year. Two in Hull, one in Little Rock and one in George. In Matlock there were some interesting items. Some interesting old cars and parts. The weather was beautiful!

New Business:

We have been approved by the Estherville Chamber to receive a grant to help with advertising the Sweet Corn Days Car Show. The Spencer Chamber has approved a grant to aid advertising the Spencer Drags.

Aero Race Wheels will be a major sponsor for the Spencer Drags. Arnold Motors will be a major sponsor for the Sweet Corn Days car show and Kinda Auto for the Lakes Car Show.

The Club needs two mobile radios for use at the Spencer Drags. We will be researching costs.

Denny Houseman is still obtaining more information on insurance coverage details and costs to cover our Club sponsored events. There are questions about the premiums.

Denny Houseman informed us that the Black Knights have donated over \$40,000 in the communities we have events in since the Club was formed. That is something to be proud of. as a Club.
